

TO HONOR
EUGENE BERNARD LE BAILLY
LT. GENERAL, USAF
1915 - 1992

"Ben" Le Bailly, then a Lt. Colonel, led the 34th Bomb Group of B-17s on a mission to Merseberg on 7 October 1944. When the two preceding groups diverted after the initial I.P., Le Bailly led "The Red-Tailed Devils from Mendlesham" over the target through heavy flak and bombed it successfully.
