

TO HONOR

FREDERICK MCCULLOUGH

**LT. COL., U.S. AIR FORCE
1923 - 1981**

Colonel McCullough graduated from Randolph Field as a pilot in the U.S. Army Air Corps in 1943. Subsequent to 1959, he joined the embryonic Medical Service of the U.S. Air Force. During a thirty year career he held numerous command and staff positions of distinction. He retired in 1974 as the Chief of the Air Force Medical Field office, an agency of the USAF Surgeon General's office.

HE BROUGHT OUT THE BEST IN ALL
